

**TREATMENT PLANS FOR AQUATIC PLANT
MANAGEMENT ON THE PIKE CHAIN IN BAYFIELD COUNTY**

The following official announcement is being posted in the newspaper:

"Northern Aquatic Services hereby notifies as specified per Chapter NR 107, WI Administrative Code, that it intends to treat all of Buskey Bay, Millicient, Hart and Twin Bear Lakes of The Pike Chain with aquatic pesticides to control nuisance aquatic vegetation *Myriophyllum spicatum* a.k.a. Eurasian watermilfoil (EWM). The proposed treatment would occur during the spring of 2017.

Northern Aquatic Services will conduct a public informational meeting on the proposed treatment if five or more individuals, organizations, special units of government, or local units of government request one. Any request for a public meeting on this treatment must be made within five days after this notice is published. The request must specify the topics to be discussed at the meeting, including problems and alternatives, and must be sent to: Northern Aquatic Services, 1061 240th street, Dresser WI 54009 and to the Wisconsin DNR, 810 W. Maple Street, Spooner WI 54801. "

The Chemical Aquatic Plant Control Application and Permit as well as other information on EWM are posted on our website: www.pikechain.org.
